# Boating Checklist

- ✓ Is the motorboat properly registered, and are the proper numbers and decals displayed?
- ✓ Do you have the required number of personal flotation devices (PFDs), and are they in good condition?
- ✓ Is the total load, including passengers and gear, within the vessel's capacity rating?
- ✓ Has an equipment check been done, including fuel and lights?
- ✓ Have plans been made to handle any emergency, such as weather, mechanical breakdown, or injuries, that may arise?
- ✓ Are you aware of local operating conditions, including navigational hazards, locks, dams, currents, rules of the road, etc.?
